

John Goodspeed: New music series rock Wednesdays

Web Posted: 11/08/2007 12:32 PM CST

San Antonio Express-News

A lot is going on this weekend, but midweek is getting really interesting, especially for the fall, with more new music series and stuff.

First things first, though, so here are some highlights.

There is plenty of action for roots rock/country/whatever fans, beginning Friday night with **Reckless Kelly** at John T. Floore Country Store and continuing there Saturday with the **Mike McClure Band** .
