RUBY DEE & THE SNAKEHANDLERS/Who Is She

Writer: Ruby Dee Philippa/The Snakehandlers; Producer: Conrad Uno/Jorge Harada;
Publisher: North of Bakersfield, ASCAP; Dionysus (track) (www.dionysusrecords.com)

—This slaps ya up the side of the head. The Snakehandlers play with plenty of honky-tonk twang, rockabilly fire and full-bore, sweaty energy. Lead vocalist Dee has loads of sass. This is the energy-packed lead-off track from the Seattle-based group's debut full-length CD, *North of Bakersfield*. An auspicious hillbilly beginning.
